TRAINING POLICY STATEMENT

The purpose of this policy is to provide a statement of intent for which PMC Safety Netting Ltd commits to providing trained & competent persons to install safety systems to its clients for which they can rely upon when their employees are working at height.

PMC Safety Netting Ltd is fully committed to providing a fully qualified workforce and support the:-

- IPAF as the accepted scheme for Mobile Elevating Work Platform Operators.
- CSCS SkillCard as the accepted scheme for Safety Net Installers,
- SSSTS - Site Supervisor Safety Training Scheme

For skills outside the CSCS scheme PMC's employees will be trained by external training providers in each discipline they are tasked to undertake:-

- Mewp operators will hold PAL+ Certification within one year of obtaining IPAF Licence as per the PMC H&S Policy.
- Stair Tower Installers will hold specific competences recommended by the stair tower manufacturer or a FASET accredited card.
- Edge Protection Installers will hold a specific Temporary Roof Edge Protection training course certification provided by FASET.
- Scaffolding Installers will hold CISRS Certification.

In addition to the core training requirements PMC ethos is that 'tool box talks' will be used to refresh personnel's understandings of health & safety issues throughout the year.

The outcome of PMC Training Policy is to ensure that our clients can be assured that their workers can rely on a safety system installed by a PMC trained and competent worker.

Signed:

M Atkinson
Managing Director
